

Puerto Los Cabos Golf Club

Don't miss out on unique golf with breathtaking views that can only be found in Los Cabos! 2018 Stars & Stripes Golf gives you the chance to be one of the first to play the BRAND NEW 9-hole course that is being constructed at Puerto Los Cabos, currently home to 27 golf holes designed by legendary golfers Greg Norman and Jack Nicklaus. Back dropped by the Sierra de la Laguna Mountains and overlooking the Sea of Cortes, this is a golf experience you will not want to miss.

Activity Details:

- Whether you're a serious or leisure golfer, we have options for you:

Friday – 18-holes at Puerto Los Cabos at 8:30am

OR 9-holes at Puerto Los Cabos at 10:00am (on the BRAND NEW 9-hole course)

Saturday – 18-holes at Puerto Los Cabos (includes the NEW 9-holes and 9 of original holes)

- Guests will be automatically assigned foursomes with their team participants that also sign up for golf. In the event that the entire team does not make up a foursome, S&S has the freedom to pair them with other participants.
- Golf club rentals are an additional fee charged on-site at the tournament.
- Golf mulligan packages are available on-site at the tournament. Details on these packages will be released at a later date.
- Group transportation is provided to golfers, however those who miss the group shuttles will have to arrange for their own transportation.
- Lunch is provided on the golf course.

"Puerto Los Cabos offered a beautifully unique golf experience. From the pristine golf course, to the stunning views of the Sea of Cortez, not to mention the two comfort stations that offered vibrant food and beverages. I can't wait to go back and see what they have in store for their new 9-hole addition. This should be one of the best golf experiences that Stars & Stripes has offered yet!"
